

Social Bookmarking

Share it. Store it. Learn from others.

What is it?

Social bookmarking is a method for Internet users to store, organise, search, and manage bookmarks of web pages on the Internet.

Why Use It?

Social bookmarking can be useful as a way to access a consolidated set of bookmarks from various computers, organize large numbers of bookmarks, and share bookmarks with contacts.

How do I do it?

Register with a social bookmarking service such as

Delicious

To register, go to: <http://del.icio.us/register>

For more information: <http://del.icio.us/about>

Digg

To register, go to: <http://digg.com/register>

For more information: <http://digg.com/about>

Reddit

To register, go to: <http://reddit.com/login>

For more information: <http://reddit.com/help/faq>

Facebook

To register, go to: <https://register.facebook.com/r.php>

For more information: <http://www.facebook.com/about.php>

StumbleUpon

To register, go to: http://www.stumbleupon.com/sign_up.php
